TROCAIRE COLLEGE

DIVISION OF ARTS SCIENCES GENERAL STUDIES

General Studies

Make your opportunity.

Trocaire's General Studies curriculum has been designed to provide our students with a high level of flexibility and a broad selection of courses to meet their individual needs. Our curriculum provides a solid foundation in the liberal arts and sciences, which can be used toward a degree in General Studies or as the foundation for another program.

You'll discover the tools to become a more effective communicator, better analyze and apply information and ideas, improve your problem-solving abilities, and gain an appreciation for diverse cultural and ethical perspectives and experiences.

We're also proud to offer you the opportunity to create an individualized program in close consultation with your advisor.

What careers will this degree prepare you for?

By enrolling in the General Studies program, you'll be able to determine which of our healthcare programs is the best fit for you, or improve your academic skills before starting the career program of your choice. An associate degree in General Studies provides opportunities for many career paths that require a strong liberal arts and sciences degree.

What are the admission requirements?

Trocaire College evaluates students using a holistic admissions review approach, which gives them the best opportunity to highlight their strengths and potential for success in the program. Students are evaluated based on academic metrics, experience and personal attributes.

- High school diploma (minimum 75% average) or HSE (High School Equivalency) diploma
- 2.0 GPA average for current and transfer students

What are the program electives?

- Humanities Elective (3 credits)
- Free Electives (24 credits) Mathematics or Natural Science Elective (3-4 credits)
- Philosophy/Religious Studies (3 credits)*
- Social Science (6 credits)

*A minimum grade of "C" (2.0) is required

In keeping with the mission, values and traditions of Trocaire College, all students **must complete at least one (1) Mercy Action Project learning experience prior to graduation**. MAP is a tuition-free, non-credit, value-added, co-curricular learning experience that provides service opportunities that integrate the College's mission through an action-reflection approach connecting service to your career path.

Immunizations/Physicals: Updated medical records from within one year of the start of the program are required and are to be submitted prior to the start of the semester.
