

Massage Therapy Student Clinic

Our on-site Massage Therapy Student Clinic offers one-hour massage sessions with students completing the clinical requirements during the Massage Therapy Program. The appointments are open to students, college employees and the general public. Students are supervised by a Clinical Instructor/ Licensed Massage Therapist.

Enjoy a 60-minute massage

To schedule an appointment please call **716-827-2518**. Messages will be returned during regularly scheduled clinic hours. Parking is available in the lot directly behind the Trocaire Building as well as on the surrounding streets.

Trocaire College Massage Therapy Clinical Rotations (Externships)

As a unique component of Trocaire’s Massage Therapy Program, students participate in a variety of offsite clinical rotations while in their second clinical practicum. These rotations, listed below, allow students to gain valuable hands-on massage experience while attending supervised clinical rotations at local facilities.

New clinical rotations are added frequently into the program curriculum.
