

**BPS Biology Focus Areas and Electives**

BPS Biology Focus Areas and Electives					
Public Health Focus Area		Biological Research Focus Area		Pre-Med Pathway Electives	
BIO140 Introduction to Pharmacology		BIO340 Concepts of Pharmacology		BIO181 General Biology II	PHY111 Physics
BIO320 Chronic Disease and Lifespan Biology		BIO 323 Virology		BIO181L General Biology II Lab	PHY111L Physics Lab
BIO321 Community Health and Wellness		BIO324 Advanced Topics in Cancer Biology		CH250 Organic Chemistry	PH112 Physics
BIO322 Biology of Public Health		BIO325 Genetics		CH250L Organic Chemistry Lab	PH112L Physics Lab
				CH251 Organic Chemistry	CH253 Biochemistry
				CH251L Organic Chemistry Lab	EN Elective
