

**PROGRAM-LEVEL - STUDENT LEARNING OUTCOMES**  
**Echocardiography**  
**Division of Allied Health and Professions**

**Program Mission Statement:** Grounded in Mercy and service to community, the Echocardiography Program at Trocaire College provides students with the theoretical foundation, laboratory skills, and clinical experiences that enable them to become compassionate and competent entry level echocardiographers. Adhering to the positive characteristics and ethics of the profession, Trocaire College students graduate with a dedication to self and others, delivering quality care to culturally diverse patients while continually striving to improve their knowledge of the field. The program embraces the mission and the operating principles of Trocaire College in presenting a comprehensive education to its students.
