

**PROGRAM-LEVEL - STUDENT LEARNING OUTCOMES**  
**Massage Therapy**  
**Division of Health Professions**

**Program Director: Susan Sullivan**

**Date Updated: 9/21/2022**

<b>PLAN</b>
<b>EXPECTED PROGRAM LEARNING OUTCOME</b>
<b>All students completing this program are expected to have achieved the following learning objectives:</b>
<b>OBJECTIVE 1:</b> At the end of the program, the student will plan and organize effective massage and bodywork sessions utilizing Eastern and Western modalities.
<b>OBJECTIVE 2:</b> At the end of the program, the student will perform massage therapy and bodywork for therapeutic benefit.
<b>OBJECTIVE 3:</b> At the end of the program, the student will develop and implement a self-care strategy.
<b>OBJECTIVE 4:</b> At the end of the program, the student will develop successful and ethical therapeutic relationships with clients.
<b>OBJECTIVE 5:</b> At the end of the program, the student will develop strategy for a successful practice, business, or employment situation.
<b>OBJECTIVE 6:</b> At the end of the program, the student will identify strategies for professional development.
