

PROGRAM LEARNING OUTCOMES (PLOs)
Biology – B.P.S.

Program Director: Joanna C. Hillman, Ph.D.

Date Updated: July 1, 2026

PLAN	
EXPECTED PROGRAM LEARNING OUTCOME	
All students completing this program are expected to have achieved the following learning objectives:	
OBJECTIVE 1:	At the end of the program, the student will demonstrate an understanding of core concepts and principles in Biology.
OBJECTIVE 2:	At the end of the program, the student will apply the scientific process to address biological questions and problems.
OBJECTIVE 3:	At the end of the program, the student will find, critically evaluate and communicate information on biological questions.
OBJECTIVE 4:	At the end of the program, the student will demonstrate critical and ethical thought regarding biological research and its societal impact.
