

PROGRAM-LEVEL - STUDENT LEARNING OUTCOMES
Massage Therapy
Division of Health Professions

Program Director: Susan Sullivan

Date Updated: 6/29/2026

PLAN	
EXPECTED PROGRAM LEARNING OUTCOME	
All students completing this program are expected to have achieved the following learning objectives:	
OBJECTIVE 1:	At the end of the program, the student will plan and organize effective massage and bodywork sessions utilizing Eastern and Western modalities.
OBJECTIVE 2:	At the end of the program, the student will perform massage therapy and bodywork for therapeutic benefit.
OBJECTIVE 3:	At the end of the program, the student will develop a long-term self-care strategy to incorporate into their professional practice.
OBJECTIVE 4:	At the end of the program, the student will exhibit successful and ethical therapeutic relationships with clients.
OBJECTIVE 5:	At the end of the program, the student will create a strategy for a successful practice, business, or employment situation.
OBJECTIVE 6:	At the end of the program, the student will design a professional development strategy to support continued growth in the massage therapy profession.
