Management Program

Make your opportunity.

You believe in strategy. You prize innovation. And you'd rather lead than follow. Now, it's time to transform your ability to unite people and set goals into a challenging and fulfilling career.

Trocaire's Bachelor's degree in Management program has been designed with input from employers, industry experts and scholars so that the Management, Leadership, Team Building and Strategic Planning skills you learn will help you to succeed on the job right away.

What does it take to succeed in this field?

If you love to plan, are always seeking new ways to solve challenges, and enjoy motivating others to succeed, then you're an ideal candidate for a managerial career.

What careers will this degree prepare you for?

You'll graduate prepared to lead and manage others across a variety of industries, from retail and the business world to healthcare, volunteer groups and more. Nearly every organization has a need for leaders who embolden others, embrace innovation and make great things happen – just like you.

What are the admission requirements?

Trocaire College evaluates students using a holistic admissions review approach, which gives them the best opportunity to highlight their strengths and potential for success in the program. Students are evaluated based on academic metrics, experience and personal attributes.

- This BPS in Management Degree program is a flexible transfer completion program
- Applicants must meet the College's general admissions requirements, and they may enter with any amount of transfer credit
- High School Diploma (minimum 75% average) or HSE (High School Equivalency) diploma
- Transfers need a minimum cumulative GPA of 2.0. To receive transfer credit for a course, a minimum grade of C is required
- Official transcripts from high school and all colleges attended
- Special consideration will be given to applicants who do not meet these criteria as evidenced by their most recent academic performance and/or professional experience
