ALUMNI SPOTLIGHT

Emily Kaczmarczyk '14

Before pursuing a career in nursing, Emily earned her education degree in biology and spent two years teaching high school biology in North Carolina. After returning to New York, she decided to make a career change and enrolled at Trocaire College, graduating from the McAuley School of Nursing program in 2014.

Following graduation, Emily began her nursing career on the Burn, Trauma, and General Surgery unit at Strong Memorial Hospital before serving as a home infusion nurse with UR Medicine Home Care. She later transitioned to perioperative nursing at the Lindsay House Surgery Center and Quatela Center for Plastic Surgery.

Today, Emily serves as the Clinical Director of the Lindsay House Surgery Center, an AAAHC-accredited surgery center in Rochester, New York, where she supports five plastic surgeons and

leads a team of 18 clinical and non-clinical staff members.

Outside of her professional accomplishments, Emily is a devoted wife to Patrick and mother of three, including twins. Balancing family life with a growing healthcare career, she continues to make a meaningful impact on patients and colleagues alike.

Reflecting on her journey, Emily shares, *"I am so grateful for the education I received and owe my success to my time at Trocaire."*
