

PROGRAM-LEVEL - STUDENT LEARNING OUTCOMES
– AAS Program
Division of Nursing

Program Director: Dr. Catherine Griswold

Date Updated: August 1, 2018

PLAN
EXPECTED PROGRAM LEARNING OUTCOME
All students completing this program are expected to have achieved the following learning objectives:
<p>OBJECTIVE 1: Communication At the end of the program, the student will effectively communicate with diverse client populations and disciplines using a variety of strategies and respecting client's cultural beliefs and practices.</p>
<p>OBJECTIVE 2: Collaboration At the end of the program, the student will collaborate with clients, families, health team members to assist clients in achieving optimal wellness.</p>
<p>OBJECTIVE 3: Critical Thinking At the end of the program, the student will make sound judgments that synthesize nursing science and knowledge from other disciplines in the provision of safe, quality nursing care.</p>
<p>OBJECTIVE 4: Safety At the end of the program, the student will apply national safety standards in the context of patient self-determination and recognize that both individuals and systems are responsible for patient safety.</p>
<p>OBJECTIVE 5: Informatics At the end of the program, the student will apply technology and information management tools to support safe processes of care.</p>
<p>OBJECTIVE 6: Professional Standards At the end of the program, the student will integrate a personal philosophy of professional nursing practice incorporating legal, moral and ethical standards.</p>
<p>OBJECTIVE 7: Professional Responsibility At the end of the program, the student will assume responsibility and accountability for one's own education and nursing practice.</p>
<p>OBJECTIVE 8: Safety/Technology At the end of the program, the student will provide a safe environment using technology and information systems in nursing practice.</p>
<p>OBJECTIVE 9: Advocacy At the end of the program, the student will advocate for health policies that address local and global health issues through participation in nursing organizations.</p>
