Greetings «GreetingLine»

Our records indicate that you have not yet complied with Trocaire College's COVID19 vaccination mandate. If you have submitted documented proof of vaccination prior to receiving this communication (Check your EStudent for verification), thank you for doing so, and we look forward to seeing you next week.

Please be advised that as of September 7th at 11:59pm, that all registered students who have not provided appropriate documentation that they have met the COVID19 vaccine mandate, or have received official notification of an exemption from the mandate, will be deregistered from all classes and clinicals for the fall 2021 term. Given the extreme seriousness of the current pandemic related circumstances, there will not be exceptions nor concessions made. This action aligns with Trocaire College's mission and efforts to maintain a safe environment for all members of the campus community. Those choosing to remain unvaccinated without an official college exemption, have also chosen not to maintain enrollment at Trocaire College for the fall 2021 term.

Unvaccinated individuals will not be permitted on campus or to be engaged in Trocaire work or learning activities, including online classes, after August 29, unless they have been granted an exemption by Human Resources. Those students who are registered for seated or online classes, but not yet vaccinated, will be marked absent for all missed classes and related instructional placements. Faculty will not be asked to make concessions for unvaccinated students who miss class and related instructional placements. No exceptions nor concessions made.

Please check the college website for regular updates on the COVID protocols that have been adopted in accordance with local, state, and federal guidance. As you know, this unprecedented pandemic has presented many challenges that are difficult to prepare for. The college will continue to take all steps necessary to maintain a safe environment for its students, faculty, staff and administration.

If you are having difficulty loading your vaccine documentation into the CastleBranch system, or need further information on where you can obtain a vaccine, please contact the Wellness Center at WellnessCenter@Trocaire.edu.

Kind regards,

A handwritten signature in black ink that reads 'Kathleen Saunders'.
